PHASE 2 CONSTRUCTION PROGRESS

On Monday, 26th September, work will commence in several areas of the airport that will impact the normal flow of foot and vehicular traffic:

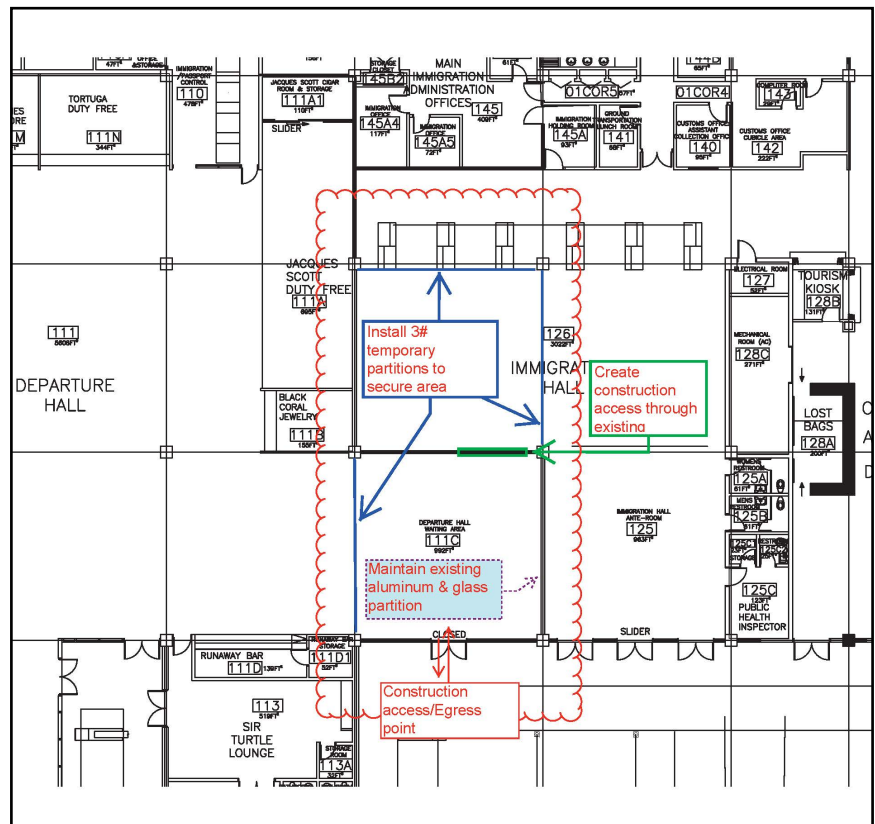

Departure Halls

A temporary partition wall will be erected adjacent to the Runaway snack bar. This area will be closed off for eight weeks.

Arrival Immigration Hall

Partition walls will be installed in front of 3 visitor booths to allow for construction in this area. Immigration and CIAA will work closely to provide guidance to visitors around the enclosed area.

Duration: 8 weeks

PHASE 2 CONSTRUCTION PROGRESS

Departure Drop Off Area

Work will commence externally at the departure end of the terminal. Construction fencing will be installed to isolate the area of work and the demolition of the large departure canopy will commence.

Pedestrian access to the rental car agencies will be temporarily diverted around the construction zone by a temporary walkway with adequate wayfinding signage. The drop off curb access in this area and access through doors 1, 2 and 3 will be closed until this scope of work is finished. Motorists are encouraged to use the short term parking lot when dropping off passengers.

Duration: 8 weeks
