Grand Cayman, Cayman Islands (16 February, 2016) Motorists are being advised that the lane leading to the Owen Roberts International Airport (ORIA) will soon become one-way only. This latest change is part of the new parking control revenue system upgrade at ORIA.

The new parking system from US based company Amano McGann is a major step in the Cayman Islands Airports Authority's (CIAA) efforts to improve customer service. The new system will be up and running by the end of March 2016.
