

Airside Operational Instruction

Reference	Date	Owner
AOI 02/2021	6 January 2021	Airport Operations Manager

Subject: Passenger Safety Airside

It is the responsibility of all employers to ensure that relevant AOIs are brought to the attention of ALL of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

1. INTRODUCTION

1.1 This AOI is to inform all airport users of the requirements and general rules of operation to ensure a safe airside environment at Owen Roberts International Airport for both airside drivers, staff and passengers.

2. BACKGROUND

2.1 Passengers are unaware of the dangers of airside areas and as a result incidents occur regularly across the globe.

3. PURPOSE

3.1 Airlines, operators and handling agents are reminded of their commitment to passenger safety in airside areas.

3.2 **ALL** passengers must always be escorted or supervised while on any ramp area. This includes the commercial ramp area and the GAT. This is for safety and security purposes.

3.3 Airside Operations in the course of their duties will monitor arrivals and departures. Passenger boarding or deplaning will be stopped should it be seen that passengers are not escorted or supervised.

4. ENQUIRIES

Any questions concerning this instruction should be addressed to the Airport Operations Manager +1 345 925 2033
